Poppy Field

Guildford Cathedral will be filled with poppies to commemorate the 100th anniversary of the end of WWI. Poppy Field is an immersive experience – enabling us to reflect on our memories and hopes. Flowers will be projected on to the floor of the nave, pillars and vaulting, with falling petals at the east end. It is created by Peter Walker – the Artist in Residence at Lichfield Cathedral – with an accompanying sound installation by David Harper, including readings from WWI poets by the actor Eddie Redmayne.
