

## Instructions for delivering your Post-box Topper

Thank you so much for taking the time to submit your work and many congratulations on your selection success. We're delighted to have your topper as part of the exhibition.

You'll be able to deliver your submission to the Cathedral from Monday 18<sup>th</sup> March during our normal opening hours. There are lots of events and temporary closures during the month so please check our website -

You'll find directions here –

Please ensure your topper is 'exhibition ready' (see submission guidelines) and that it has been delivered by Saturday 6<sup>th</sup> April.

On arrival in the Nave, please locate the holding table (the guides will help you) where you can leave your work and tick it off on the checklist. It will then be moved to our storage area by a member of the exhibition team.

We have all the information we need to match your topper to you, but if you wish, you can attach a small name label.

Thank you.

Guildford Cathedral Events Team.
