TUESDAY 6 JULY

6.30pm-8.30pm

AT
Guildford Cathedral

Does your daughter love singing?
Does she have a good ear?
Does she have a good sense of rhythm?
Does she enjoy meeting new friends in
a welcoming and friendly environment?

Join us for an informal and fun open evening at the Cathedral to experience a friendly team of musicians who enjoy singing together.

Our open evening is for girls aged 9-18 who want to find out what it is like to be a Cathedral chorister. Come and meet our girl choristers aged 9-18 and sing with them. Led by our renowned vocal coach, Hilary Jones, join Organist and Master of the Choristers Katherine Dienes-Williams and Sub organist Richard Moore together with Organ Scholar Luke Saint for an evening at the Cathedral. Girls rehearse on Tuesday nights from 6.30-8.30pm and sing at the Cathedral on Fridays and Sundays. Once a full chorister, girls can claim £500 against instrumental or vocal tuition invoices.
