Visions of Peace Exhibition in the Nave

Do take time to look at the current display of reflections and artwork by local school children. Students from Christ's College Guildford were asked to reflect upon their vision of peace. Some have chosen to reflect on the events of World War One while others have reflected on peace more generally. Christ's College is a Church of England secondary school for students aged 11-18 and part of the Good Shepherd Trust. Their work can be found in the south aisle. In the north aisle you can see something of the thoughts and prayers left by more than 400 primary school children who participated in the WWI Workshops last week led by Louise and her team. Many thanks to Louise and all who made the week possible. The exhibition will remain on display until the end of November.

Advent groups

Will be meeting on Thursdays at 7.30 (6, 13 and 20 December) and Saturdays (8, 15 and 22 December). We will be using meditations from Becky Lovatt's *Beyond the Chocolate Window* to explore the stories and songs which give voice to the hopes of this season of waiting. No pre-reading necessary; but the book can be used for daily devotions if you wish. All welcome to attend all/some of the

sessions as each week will stand alone. Please contact Canon Julie if you wish to take part - indicating availability/preference for Thursday and/or Saturday.

The Cathedral's ministry among families and children

We are delighted that we are growing our ministry for children and families, but we do need more volunteers to deliver it who are interested in overseeing crafts and engaging with visitors. If you are able to help with any of our forthcoming events, particularly the Nativity Family Fun Day on Sunday 9 Dec, (2.30-4.30pm), please contact louise@guildford-cathedral.org or speak to one of the clergy to find out more. Future events include our new informal midweek service for young children and their carers, Cathedral Tots (Wed 9 January, 6 February, 6 March, 10-11am) and a Christingle service (Sunday 27 Jan, 3pm). We are specifically looking for volunteers to help make 200 Christingles on Saturday 26 Jan, 9.30-11am, over coffee, and help at the service itself on 27 January. If you are unable to help we would still love to see you, everyone is invited to attend these outreach events and services, a warm welcome is extended to your family and friends. Full details in the current 'What's on'.

Receiving Communion at home

There are several reasons why you might find yourself unable to come to the cathedral to worship -a short or longer spell of ill health or convalescence; a period of inclement weather; family circumstances or some other reason. Whatever the case you will be missed. It is important to continue to receive the sacraments regularly and to have a sense of your continued membership of the Christian community here. The clergy and some Pastoral Assistants are very willing to visit you at home and bring Holy Communion to you. This is a tangible sign of God's love and care and of your inclusion, although absent, in the cathedral fellowship. Please speak to one of the clergy or contact them by phone or email if we can help you in this way.

Your serving team needs you!

As the Cathedral's Head Server, I count myself very lucky to have inherited a team of dedicated and competent servers who are always ready to go the extra

mile in support of the Cathedral's liturgical needs. Servers are the people whom you see carrying the processional cross, processional torches, or the thurible when incense is used. They also assist the clergy in several ways, most obviously in the Eucharist by bringing Communion vessels to the Altar, in holding the reserve consecrated bread and wine during Communion, and when clearing up at the end of the liturgy.

Being a server involves a real commitment, but it is also very rewarding for servers make a significant contribution to the worship of the Cathedral.

For various reasons, our numbers have declined recently, and it would be very helpful if we were able to recruit some new members to the team.

For most serving duties, it is suggested that members of the team should be at least fourteen years of age, and they must have been confirmed. There is no upper age limit! Men and women are equally welcome in the team, and previous experience is not necessary; full training will be given.

Servers under the age of fourteen, whether or not confirmed, can serve as boat bearers on those occasions when incense is used, and will be able to move on to other duties in the course of time. If you think that the ministry of a server might be for you, please speak to Canon Paul, or contact either me, Richard North, on 01252 794802, or the Deputy Head Server, Donald Thompson, on 01784 434391; or speak to one of us at the Cathedral.

GUILDFORD
CATHEDRAL

GUILDFORD CATHEDRAL is a place of prayer, reflection, work and celebration, held in particular affection by the many thousands of people who helped build it by buying a brick. There is much to offer to visitors and to those who are looking for a church community to call home. All regular weekday and Sunday services are open to all. The beautiful building and the excellent choral tradition contribute to making our Cathedral a place to which, once visited, you will want to return. As well as the rhythm of daily worship we maintain an exciting programme of arts, events, lectures, workshops, exhibitions and concerts.

The Cathedral is a centre for worship and mission to support the ministry of the Bishop in faith and engagement. The Cathedral is a sacred space and an open community of people who together engage with God and the wider world, for the common good. It is a focus and resource for the whole community: a place of daily choral worship, a space for stillness and prayer, a place of pilgrimage and a venue for concerts, art and education.
